

**Lake Area Youth Athletic Conference
Volleyball Rules for Grades 5-6**

Revised 8-24-09

- 1) Eligibility
 - a) Boys and girls entering 5th or 6th grade may participate.
 - b) 4th graders are not allowed to “play up” into this league unless an exception is granted by the league chair(s) and director(s).
 - i) Exception: If there are not enough 5th and 6th grade boys to form a team, 4th grade boys will be allowed to participate.
- 2) Scoring
 - a) Teams will play a match wherein the first team to win two games wins the match.
 - b) Rally scoring will be used for all games. A point is awarded each time the ball is played, regardless of which team served.
 - c) Teams will play the first two games to 25 points. The third game, if necessary, will be played to 15. Each game must be won by two points.
 - d) After the each game, teams will switch sides of the court. In the third game, teams will switch sides of the court when the first team reaches 8 points.
 - e) If a third game is started 50 minutes after the start of the match, scoring will start at 5-5 and teams will not switch sides. This will be done to keep from delaying the next scheduled match.
- 3) Breaks and Timeouts
 - a) Teams will have two minutes between each game within a match.
 - b) Teams are allowed two timeouts per game. Timeouts will be one minute each. Timeouts may only be signaled by Head Coaches (not by Assistant Coaches, Line Judges, etc.) to the official.
- 4) Court Dimensions and Equipment
 - a) The net will be placed at a height of 7’.
 - b) The serving line will be the back line (30’).
 - i) Exception: 4th grade boys may serve from the 20’ line. If two serves go beyond the opposing team’s 10’ line, the coach should move the player to the 30’ line.
 - c) Before each match, the team listed first on the schedule must present a ball to the Official and to the opposing Head Coach for their approval. Balls must be Tachikara SV-MNC Volley-Lite Lightweight Volleyballs with weight: 7.0 - 7.7 oz and circumference: 25.6 - 26.4".
 - i) Each gym will keep at least one ball available for league play. This way the official ball is consistent every week.
 - ii) If a team or Association decides not to practice with the volleyballs specified above, these players will be at a disadvantage during the games. If a facility does not have an officially approved ball, the Official will ask for an official ball from one of the participating teams.
- 5) Lineups and Substitution Rules
 - a) Head Coaches must submit written lineups to the scorer’s table prior to each game.
 - b) Lineups must include between four and six players.
 - i) There will be a 10 minute grace period for a team who is unable to field at least four players. If no additional players become available during the grace period, the team will forfeit the first game and another 10 minute grace period will begin. If no additional players become available during the second grace period, the team will forfeit the match.
 - c) Match #1

- i) Game 1: Lineup may be any combination of six players on the team's roster. No substitutions will be allowed.
 - ii) Game 2: Lineup must include all players who did not play in game 1. Substitutions allowed only for those who played in game 1. Once a substitution occurs, these players are "linked" and may only substitute for each other during the game.
 - iii) Game 3 (if necessary): Lineup may be any combination of six players. Substitutions may be made freely. Once a substitution occurs, these players are "linked" and may only substitute for each other during the game.
 - d) Match #2

 - (1) The lineup for Game 1 must be the same as that of Game 2 of Match #1 and the lineup for Game 2 must be the same as that of Game 1 of Match #1.
 - (2) All other rules listed above for Match #1 will apply.
 - e) If a player arrives late, he/she may not enter a game in progress but may be played or substituted in new games according the rules listed above.
 - f) In case of injury, a substitution may be made during any game. An injured player who leaves the game may not return until the next game but may be played or substituted according the rules listed above.
- 6) Prior to Conducting Play

 - iii) After this, the opposing team will have six minutes to use the entire court for warm-ups.
 - d) When instructed by the Official, all players must turn their backs towards the scorer's table so the scorer can verify the lineup and each player's starting position.
